

BACKGROUND AND OBJECTIVES OF THE PROGRAM

The University Honors College and the Dick Thornburgh Forum for Law and Public Policy founded the **DICK THORNBURGH SUMMER FELLOWSHIP** Program in 2011 to provide two distinctive opportunities for the undergraduate who combines academic talent with scholarly motivation and intellectual scope.

First---through a summer stipend ---the Thornburgh Fellowship seeks to provide an extended but continuous opportunity for *unfettered research and independent study* leading to a work of completed scholarship involving substantive use of the Dick Thornburgh Archive Collection in the University Library System.

Second---through weekly seminars where Fellows present their work---the program seeks to provide a supportive forum for discussion and *interdisciplinary intellectual fellowship*.
